## Throw a pool party and mingle on the sunroof!

Throw a summer pool party with home-made summer gâteau for your guests! Everyone is welcome and if there's not enough room in the pool, there's plenty of playing space on the huge sunroof. In case of bad weather, guests can take shelter on the covered hammock swing to enjoy their refreshments without getting wet.

And if anyone feels like a nice warm bath, there's an indoor whirlpool bath just waiting to be used. There's plenty of room for everyone so invite all your friends, big and small, to a summertime housewarming and a dip in your private pool!

# "THE SITTING ROOM IS THE HEART OF THE HOUSE"

**Name:** Sophia Davis

**Family:** husband Eric, 2 children, Charlotte and Jacob, Fido the dog and Fluffy the rabbit.

**Lives:** in a villa in Stockholm.

**Hobbies:** interior design, spending time with friends, taking a dip in the pool and baking cakes.

"This is probably my favourite room," says Sophia.

"This is where we entertain our friends, watch TV or just relax and curl up on the sofa."

"I did all the decorating myself," continues Sophia.

"The thing I'm most pleased with is the zebra-pattern rug and I adore the paintings by Lisa Rinnevu.

When the sun is shining, all you have to do is pull up the glass doors and you can walk straight out to the pool on the terrace. Anything can happen here."

## LET THERE BE LIGHT!

Lighting is important. Every room in a house should be properly lit – a ceiling light is best for the kitchen, while a floor-lamp may be more appropriate for reading in the sitting room. And with the right lighting on the terrace, you could make the atmosphere even cosier as evening falls...
