Lundby goes out doors!

NEWS that will turn sales inside out...

House & Garden

The dream present for all new Lundby fans:

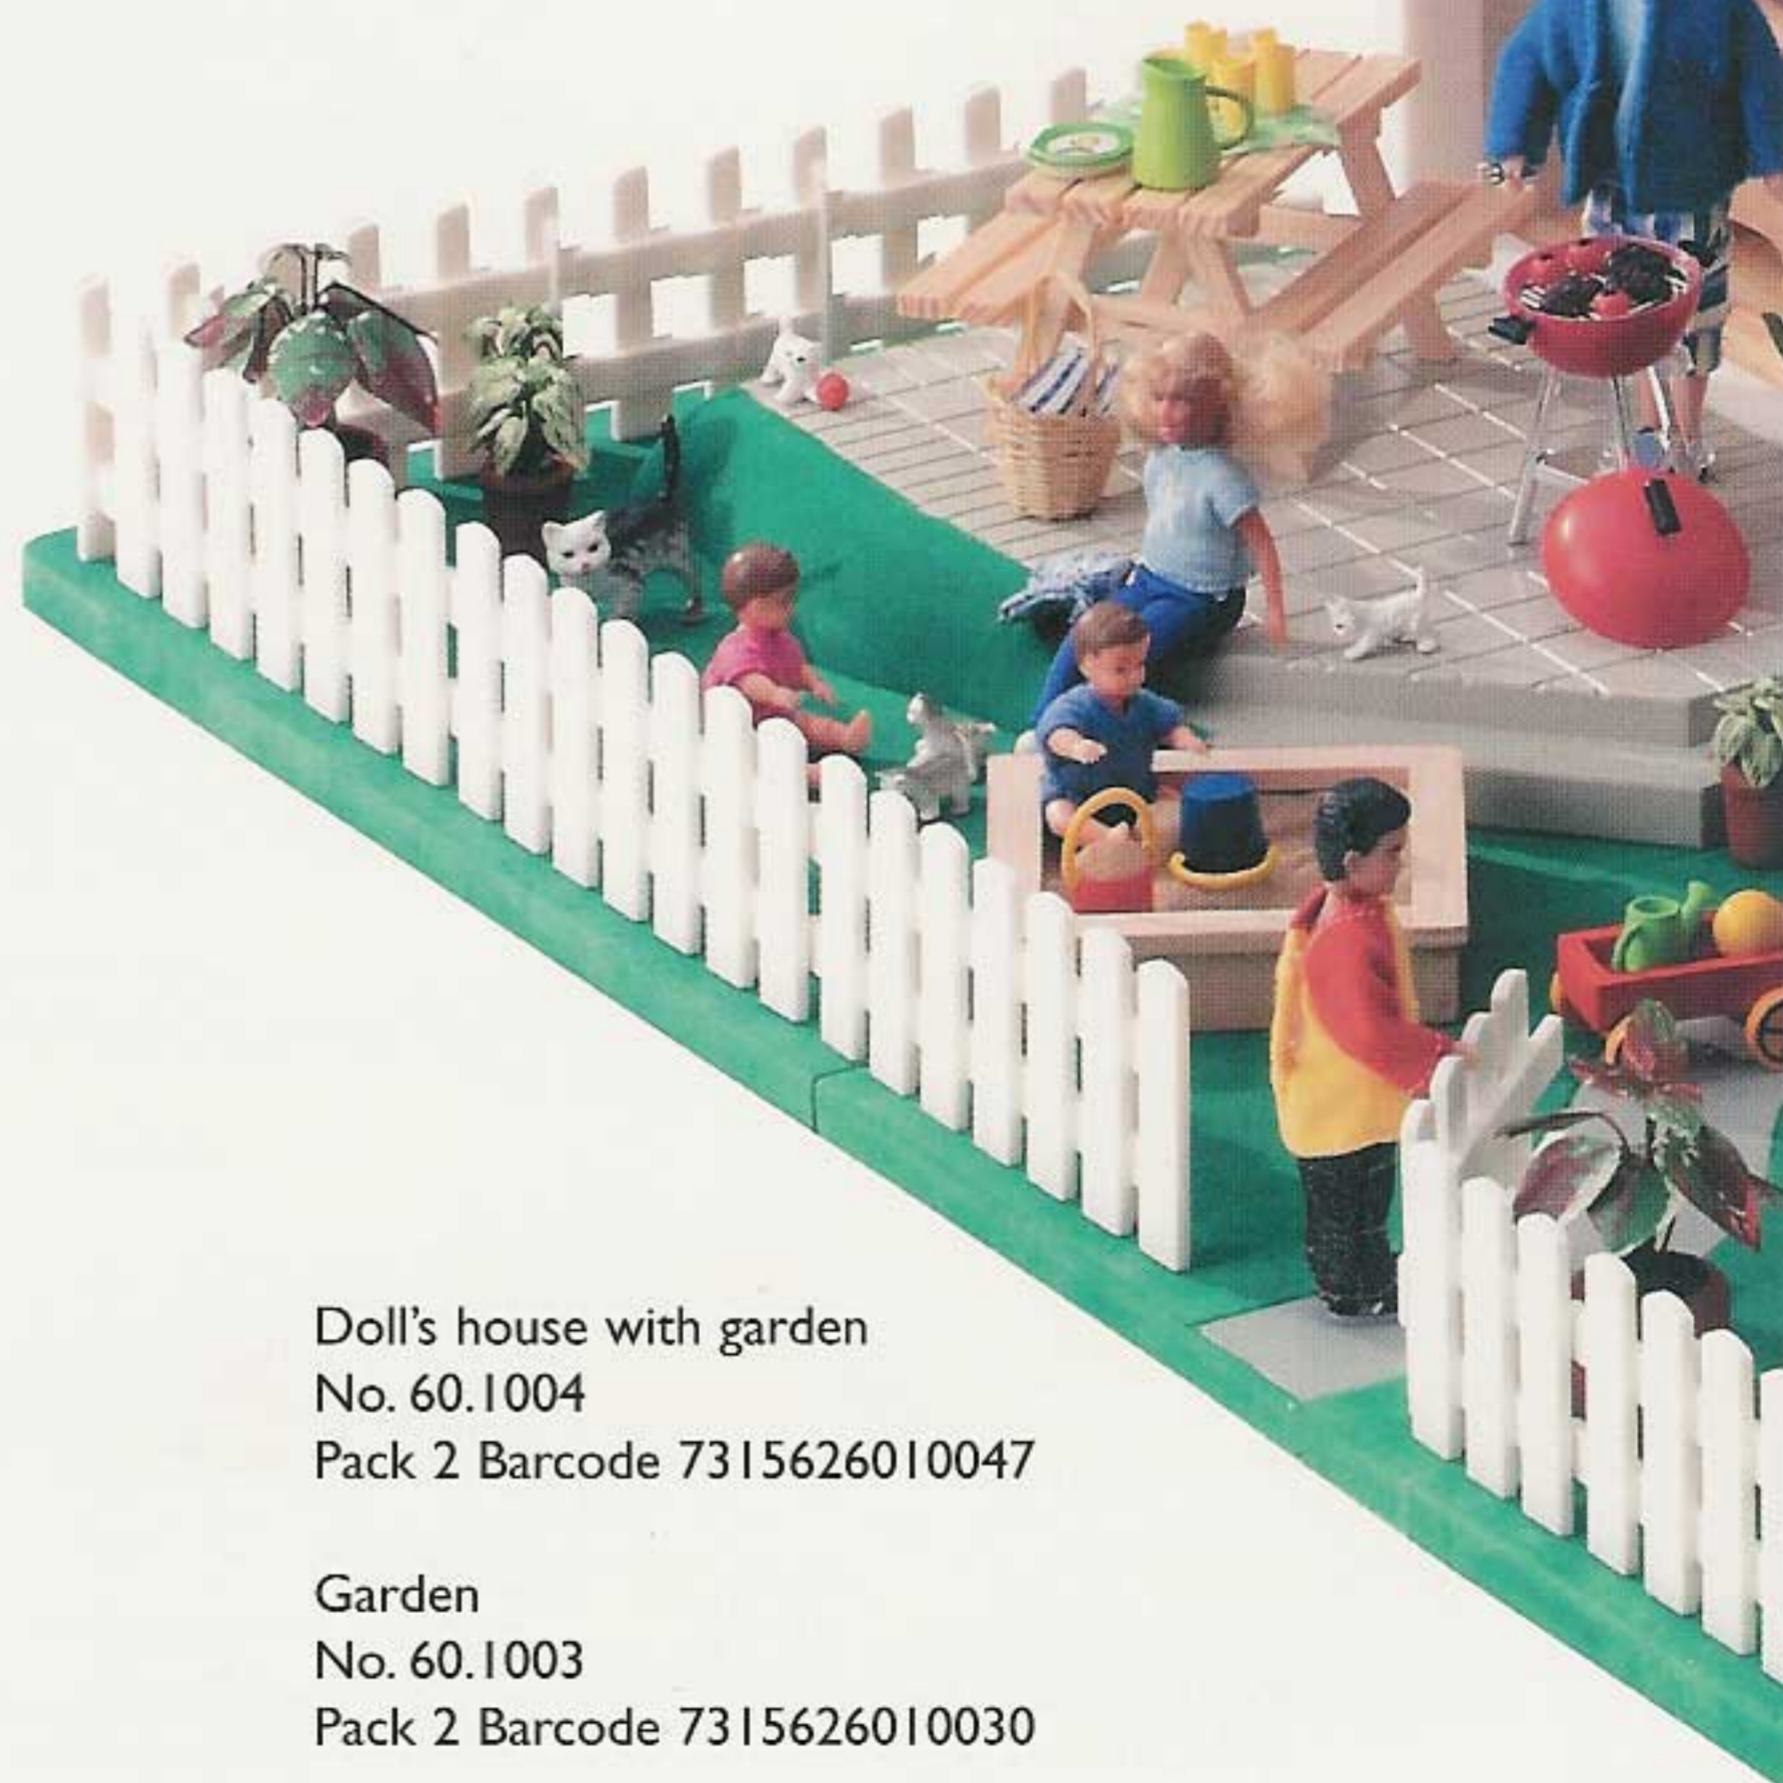

The easily assembled Lundby Doll's House, now includes the just as easily assembled garden. All in one package.

The garden is the latest Lundby novelty. Complete with lawn, terrace and fence, this will no doubt bring a new dimension to our "play home" concept.

As it will bring a new dimension to your Lundby sales!

The very same Lundby garden is also available as a separate product for all those who are already owners of the Lundby Doll's house.

Great news from Lundby, which will bring profitable real estate business into your toyshop!
